

# CAR TRUCK & AIRCRAFT PRODUCTS

## HIGH FOAMING DETERGENT

### HIGH FOAMING CAR WASH

**Product Number**  
80-100

Our most popular car wash detergent that is high foaming and Ph Neutral. Can be used in either automatic car wash systems or manual hand wash operations. Clear with a citrus fragrance. **VISCOUS!**

**Available in:**  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

**Dilutions:**  
1 to 20 with  
water

## FLEETWASH

### CONCENTRATED TRUCK WASH

**Product Number**  
80-125

A concentrated cleaner that produces high foam and removes road film from the vehicles surface. Formulated to be mild and not harm the finish but tough enough to remove most vehicle dirt. Green, NON-BUTYL, NON-CAUSTIC!

**Available in:**  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

**Dilutions:**  
1 to 5 with  
water

## RIG WASH

### TRUCK AND VEHICLE WASH

**Product Number**  
80-126

A high quality vehicle wash that will deliver outstanding cleaning results on cars, trucks and even aircraft. Contains no solvents and is formulated to clean without harming the finish. Blue liquid. **HIGH FOAMING! USDA A1.**

**Available in:**  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

**Dilutions:**  
1 to 10 with  
water

## WAX BRITE

### SEALER-WAX

**Product Number**  
80-130

A high quality wax that is designed to be applied at the end cycle of automatic car wash systems and self serve "pressure wash" systems. Goes on clear and produces a tight water bead effect.

**Available in:**  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

**Dilutions:**  
1 ounce per  
20 gallons  
of water at  
40 PSI

## HOT SPRINGS

### DETERGENT/WAX COMBINATION

**Product Number**  
80-135

This is a two step system in one. The dirt and grime is washed away and a protective wax is left behind. The wax that is left will cause water droplets to form tight beads.

**Available in:**  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

**Dilutions:**  
2 to 4 ounces  
per gallon of  
water

## WIPE OUT

per gallon  
of water.

**CITRUS DEGR. & COATING****H****D'LIMONENE****Product Number  
10-477**

Citrus Degreaser and Coating penetrates and emulsifies tar and asphalt deposits. It also leaves behind a protective coating that inhibits future tar and asphalt from sticking to the surface.

**Available in:**  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

**Dilutions:**  
1 to 2 oz.  
per gallon  
of water.

**3D 142****H****VENT  
DEGREASER &  
EMULSIFIER****Product Number  
10-478**

A virtually odorless, solvent degreaser that emulsifies oil and grease. Rinses off with water.

**Available in:**  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

**Dilutions:**  
1 to 2 oz.  
per gallon  
of water.

**60****B****BUTYL  
DEGREASER****Product Number  
10-479**

The high concentration of butyl degreases and removes ink like no other product. Deep red in color with a caustic kick makes it a great floor and wall degreaser for newspaper print shops and other places.

**Available in:**  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

**Dilutions:**  
1 to 2 oz.  
per gallon  
of water.

**PIPE SAVER****H****PROPYLENE  
GLYCOL****Product Number**

This product contains a high percentage of propylene glycol to keep pipes from freezing in cold temperatures. It also reduces scale and rust build-up.

**Available in:**  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

**Dilutions:**  
1 to 2 oz.  
per gallon  
of water.

## FLOOR CARE PRODUCTS

### ORANGE NEUTRAL CLEANER

#### NEUTRAL CLEANER

Product Number  
10-330

A great product for cleaning floors and a number of other cleaning applications. It quickly breaks down dirt and grime while leaving a fresh orange scent behind. pH 9.0+-

Available in:  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

Dilutions:  
2 ounces :  
gallon of

### LEMON NEUTRAL CLEANER

#### NEUTRAL CLEANER

Product Number  
10-340

A moderate foaming cleaner with the aroma of fresh squeezed lemons. Cleans everyday grease and soils from floors. Also is an outstanding all purpose cleaner for use on most washable surfaces. pH 9.0+-

Available in:  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

Dilutions:  
2 ounces :  
gallon of

### MICRO MAGIC

#### CLEANER AND RESTORER with D'Limone

Product Number  
10-295

Deep cleans, removes scratches, scuffs and heel marks from the floor. It also conditions the finish, bringing back that high gloss, wet look shine. This product also extends the life of the floor and reduces strip/recoat cycles. pH 8.0+-

Available in:  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

Dilutions:  
2 ounces :  
gallon of  
water

### DUST MOP TREATMENT

#### OIL BASED MOP TREATMENT

Product Number  
10-360

Oil based treatment which collects fine dust particles. Ready-to-use with a slight citrus fragrance. This product will allow for the release of dust particles with mild shaking action. NON FLAMMABLE.

Available in:  
12x1 Quarts  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

Dilutions:

### MOP DRESSING

#### WATER BASED MOP TREATMENT

Product Number  
10-370

Water based treatment that allows for easy cleaning of dust mops. Easily collected then easily released. Green color with a mint fragrance. Contains non-toxic glycols and wetting agents.

Available in:  
12x1 Quarts  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

Dilutions:  
Ready-To-

### PROTEK

#### CONCRETE SEAL

Product Number  
10-310

For use "indoors or out" on untreated concrete flooring. It penetrates the concrete and sets up a protective barrier that resists oil penetration and prevents dusting. Can be used on aged as well as newly laid concrete.

Available in:  
4 x 1 Gallon Cases  
5 Gallon Pails  
55 Gallon Drums

Dilutions:  
800-3000 :  
per gallon

### ULTRA PROTEK

#### CONCRETE SEAL WITH URETHANE

Product Number  
10-320

Everyone said that we could not make a better product than PROTEK. We proved them wrong with ULTRA PROTEK. Same basic formula as PROTEK but with the added strength and durability of urethane.

Available in:  
4 x 1 Gallon Cases  
5 Gallon Pails  
20, 35, 55 Gallon Dr

Dilutions:  
800-3000 :  
per gallon
